

Off-Piste Pavilion

The most stunning mountain top views at Blue Mountain can be the backdrop to your next event.

Located at the top of Waterfall ski run, this beautiful site features a 12,000 square foot patio covered by three interconnected hex dome structures. Each structure is rigged for lighting and audio-visual needs and are open sided providing unobstructed views and an open concept space to accommodate a variety of seating arrangements. The venue site also features full-service bar and food and beverage capabilities from a simple coffee service to plated gala dinner.
